***The PD-MEET (Parkinson's Disease Movement Education and Exercise Therapy) program at University of North Florida, University of North Florida** (updated August 2023)

Our goal is to offer a free of cost exercise therapy program for people with PD in the Jacksonville community to improve their physical and mental health. The pd-MEET (Movement Education and Exercise Therapy) program is an 8-week evidence-based exercise therapy program consistent with the current recommendations for exercise for people with PD. The pd-MEET program will be delivered partly as a group exercise session and partly as a supervised home exercise program and designed by an experienced team of researchers, and physical therapists with expertise in exercise prescription for people with PD. The PD-MEET program will also include educational sessions and conduct a needs assessment in other areas of health to support expansion of the current program and meet the integrated health needs of people with PD in the future.

Location: Jacksonville, FL – Meeting in-person

Fee: None

***pdLIFE: Expanding the Bay Area PD Network and Support, Parkinsonlife Corporation**

(updated August 2023)

The Parkinsonlife Corporation (pdLIFE) was created in December 2020 to support individuals impacted by Parkinson's Disease in the Tampa Bay Area. "pdLIFE" aims to provide "Lifestyle, Information, Fitness, and Empowerment" to our participants and their family members. Each of our classes provide evidence-based exercises that have been recognized to assist in the improvement of Parkinson's symptoms, including high-intensity interval training. We have multiple offerings to best match the physical abilities of the participants including a "high octane" group created specifically for young onset, newly diagnosed, and advanced fitness level individuals. pdLIFE offers monthly meetings that are held in person at the Barksdale Senior Center with refreshments provided and a variety of excellent speakers such as rehabilitation specialists, mental health providers, and community resource liaisons.

Location: Tampa, FL – Meeting in-person

Fee: None

For more information, contact Meredith DeFranco at meredefranco119@gmail.com.

MIAMI DADE

COCONUT GROVE

***Yoga Therapy Symptom Support for Parkinson's, AUM Home Shala** (updated August 2023)

AUM Home Shala's mission is to promote the therapeutic benefits of yoga, through teaching, research, training yoga teachers and certifying yoga therapists. We further our mission through training, community clinics and group classes, symposiums, and outreach initiatives in universities, schools, health-care facilities, and support groups, which aim to break down societal barriers through yoga, yoga therapy, and meditation. Yoga therapy supports PD patients who are newly diagnosed and those dealing with progressive symptoms to manage their condition, delay/reduce symptoms, decrease chronic pain and sleep disturbances, restore balance, and increase mobility, respiration, and vitality. AUM brings our mission to life by offering free yoga therapy programming for people of all ages who are dealing with a wide range of chronic diseases and disabilities, including free yoga therapy for PD individuals/group sessions. Yoga Therapy topics tailored for PD include mindful breathing for respiratory health and improved cognition; non-motor and fine-motor movement for decreased anxiety, depression and stress relief including joint and gland exercises; digestion/nutrition and meditation techniques.
