

Parkinson's Research and Care

Join us on September 14, 2024, in Tucson, AZ, to learn how research helps shape treatments and identify new care strategies for managing Parkinson's symptoms. This program will also provide information on current research in Parkinson's. *This program may include moderately scientific terms and concepts.

Learn More. Live Better. Parkinson's Symposium.

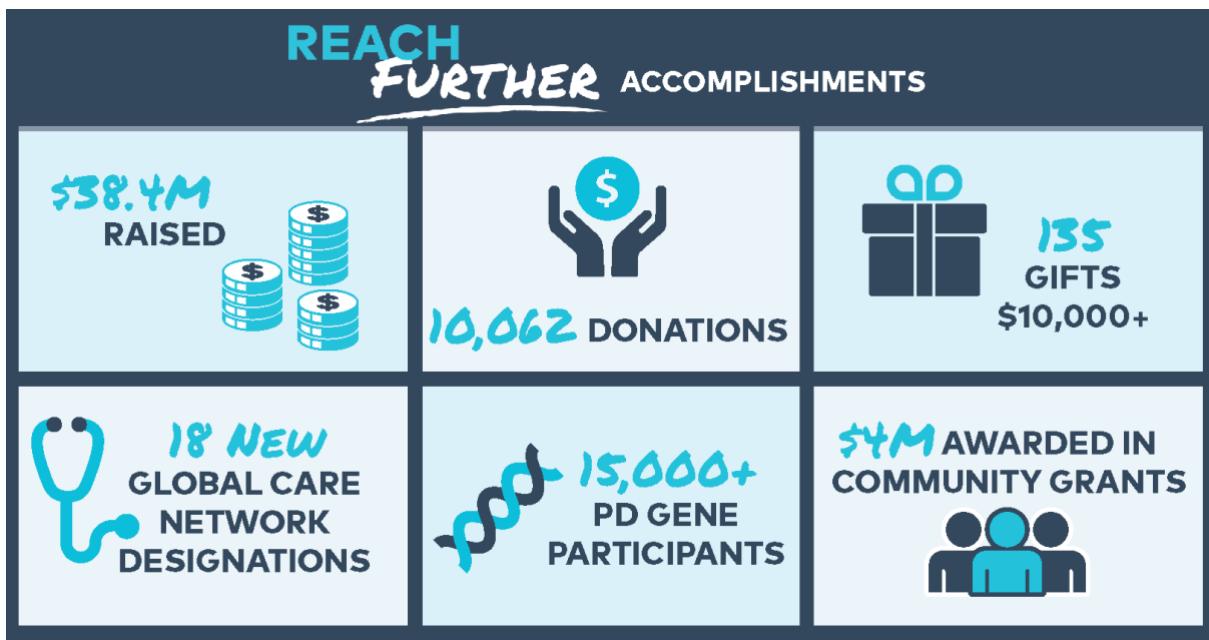

Join us on February 1, 2025, in Las Vegas, NV. Living with Parkinson's can be challenging, but there are many things you can do to maintain and improve your quality of life. This program will provide you with information to help you find the balance between a proactive approach and wondering what lies ahead. Learn about how Parkinson's can impact sleep.

Parkinson's Sleep and Me

Join us on April 5, 2025, in Phoenix, AZ. Parkinson's disease can create many challenges to getting a good night's sleep. This program provides information on how Parkinson's disease affects sleep quality and addresses ways you can get a better night's sleep while living with PD.

Let's Talk About It: Non-motor Symptoms

Save the date! May 10, 2025, the Parkinson's Foundation will be in Albuquerque, NM, to explore how non-motor challenges associated with Parkinson's disease that may not always be easy to discuss. With a focus on nonmotor symptoms, this program will provide strategies for coping and talking about it with healthcare providers or loved ones. Email us at southwest@parkinson.org to pre-register!

Reach Further

We are thrilled to share that thanks to the tremendous support of our donors and the Parkinson's community, our [Reach Further](#) fundraising campaign exceeded its goal early.

Your steadfast support has allowed us to invest an additional \$38.4 million to accelerate progress in Parkinson's disease (PD) research, improve care and increase access to quality-of-life programs. [Learn how your support helped impact people with PD.](#)

Gear up for FUNdraising!

[Moving Day](#) is more than just a friends and family fundraising walk. It's your chance to speak up about Parkinson's disease and move others to take action. Join us in [Tucson](#) on November 2 or [Phoenix](#) on November 9!

Stay tuned for Spring Moving Day locations and dates! For more information or questions about Moving Day, email us at southwest@parkinson.org!

Rising Star Award

Esther Labib-Kiyarash

"I'm not grateful for Parkinson's, but I do appreciate some of the things that came with it.
I hate the disease, but I love the people with it."

Volunteers

National Volunteer Awardees

Parkinson's Foundation volunteers help us make a difference in the lives of people with Parkinson's disease (PD). Every year, we celebrate top volunteers with prestigious national awards. Meet our [2024 National Volunteer Awardees](#) and let their empowering stories inspire you.
